

**Jaquar introduces a new range of kitchen faucets and bathroom showers**

Jaquar Group, a bathroom fittings brand, has launched Flo2 and Tumble Rain under its luxury brand Artize.

Flo2 is a kitchen faucet that will provide water whenever you pull it down and also help you with a choice of flows to make your cleaning chores easier.

It is equipped with a 360-degree spray head that provides smooth maneuverability.

Tumble Rain is a shower and a green product that is high mounted and lets the bucket fill automatically every few seconds and empties itself dramatically over you.

**Where:** Across all Jaquar stores.

**Price:** On request. Visit [artize.com](http://artize.com) for more details.
